A Gift for the Queen

The Promised Messiah as undertook to show a sign of his own truthfulness, provided that Her Majesty would agree to accept his message in case of fulfilment—adding that he would accept the death penalty by being put on the gallows in Her Majesty’s capital if he is unable to show a convincing sign. A meeting to celebrate the Jubilee was also held in Qadian in June 1897, which was attended by several members who joined from out of town. In accordance with the directives of the government officials, a resolution was passed and sent to the Viceroy of India. Copies of Tohfa-e-Qaisariyyah were prepared in high quality binding, one of which was sent to Deputy Commissioner District Gurdaspur for onward transmission to Her Majesty, and copies were sent to the Governor General and the Lieutenant Governor Punjab. A prayer was recited in six languages in the meeting, which included:

Almighty God! As Thy Wisdom and Providence has been pleased to put us under the rule of our blessed Empress enabling us to lead lives of peace and prosperity, we pray to Thee that our ruler may in return be saved from all evils and dangers as Thine is the kingdom, glory and power. Believing in Thy unlimited powers we earnestly ask Thee, All-Powerful Lord, to grant us one more prayer that our benefactress the Empress, before leaving this world, may probe her way out of the darkness of man-worship with the light of *la-ilaha illallah Muhammadur Rasulullah*. [There is no God but Allah and Muhammad is His Prophet]. Do Almighty God as we desire, and grant us this humble prayer of ours as Thy will alone governs all minds. Amen!
